

# Wisemans Ferry Public School Behaviour Support and Management Plan

## Overview

Wisemans Ferry Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning.

Our goal is to inspire every child to participate positively in society. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

Principles of positive behaviour support, trauma-informed practice, inclusive practice and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

To achieve our vision, key programs prioritised and valued by the school community are:

- The Resilience Project: This provides an evidence-based positive mental health program to build resilience and happiness and focuses on strategies to cultivate positive emotion, specifically; Gratitude, Empathy and Mindfulness
- Trauma Informed Practice
- Positive Behaviour Award System linked to our school values
- In class and whole school focus on a school value each fortnight.

These programs prioritise social and emotional learning which supports good mental health, positive relationships and supports prevention of bullying.

Wisemans Ferry Public School rejects all forms of bullying behaviours, including cyberbullying by maintaining a commitment to providing a safe, inclusive, and respectful learning community that promotes student wellbeing. Staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff actively respond to student bullying behaviour.

## Partnership with parents and carers

Wisemans Ferry Public School will partner with parents/carers in establishing expectations for engagement in developing and implementing student behaviour management and bullying strategies, by:

- inviting parent/carer and student feedback through formal and informal means such as school surveys, Tell Them from Me surveys, consulting with the P & C and local AECG.
- using concerns and questions raised through the above-mentioned processes to review school systems, data and practices.
- Establishing expectations for parents and carers to engage with the school in line with the [School Community Charter](#).

Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing. We will communicate behaviour expectations to parents/carers through parent information sessions, orientation programs, school newsletters, updates and communication via School Bytes, school Facebook page and through parent/student/teacher conferences.

## School-wide expectations and rules

Wisemans Ferry Public School has the following school-wide rules and expectations:

To demonstrate respect, co-operation and personal best.

Respect	Co-operation	Personal Best
Value others	Work as a team	Be organised and ready to learn
Use manners	Be kind	Stay focused and work to achieve set goals
Respond thoughtfully	Communicate clearly	Be ready to learn
Be inclusive of everyone	Take turns	Be resilient learners
Care for others and our school environment	Solve problems calmly	Use feedback to reach your full potential

Wisemans Ferry Public School uses the following strategies and systems to explicitly teach, recognise and reinforce positive student behaviour and expectations:

- a structured levelled award system, which is linked to our school values, where students work towards achieving a specific number of awards from teachers to proceed through the award scale
- explicit teaching of a school value each fortnight to add student voice to expectations and reinforce what success looks like.

## Behaviour code for students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour Code for Students](#).

## Whole school approach across the care continuum

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyberbullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all students.

Care Continuum	Strategy or Program	Details	Audience
Prevention	Whole School Award System	Tiered award system – Fantastic Ferrys, Bronze, Silver, Gold, Platinum – School Badge	Staff, students K - 6
Prevention	WFPS school values	Fortnightly whole school focus to explicitly teach one of the values, gaining student voice via suggestions for how these are demonstrated. Values are reinforced in class, in the playground and at assemblies.  Students are recognised for exhibiting the Wisemans Ferry Public School values at any time and by any staff member, through being given ‘values vouchers’ which earn house points and go into award draws twice a term.	Staff, students K - 6

Care Continuum	Strategy or Program	Details	Audience
Prevention	Classroom management practices	<p>Effective classroom management is built through:</p> <ul style="list-style-type: none"> <li>• building teacher/student relationships</li> <li>• consistent modelling and reminding of expectations and learner routines</li> <li>• responses to behaviour which are consistent and follow the school response guides</li> <li>• turn-taking activities, cooperative learning and play activities high quality, differentiated teaching and learning activities.</li> </ul>	Staff, students K - 6
Prevention	Student transition programs	<p>P-K: school actively engages with parents and local pre-schools to assist with transitioning into fulltime schooling. Newly enrolled students participate in transition days and social play days in the term before commencing kindergarten.</p> <p>Year 6-7: teachers liaise with local high schools to provide relevant student information prior to students attending the following year, as well as supporting opportunities for orientation experiences. Further opportunities for students to attend additional orientation days (specific to individual student needs) may be sourced and arranged via Learning Support Teams, Wisemans Ferry Public School, and local high schools.</p> <p>Yearly Grade Transition: Students participate in 'transition sessions' during the kindergarten transition program, where they complete cooperative activities with various peers, with teachers monitoring for student engagement. Time is planned for teachers to communicate and provide specific student information to the following years classroom teacher.</p>	All – staff, students K -6 and parents/carers
Prevention	<a href="#"><u>The Resilience Project</u></a>	This program focuses on a whole school approach, working with all audiences of the school community (teachers, students and parents) to proactively build and maintain their collective social and emotional skills and instil an inclusive and supportive school environment.	All – staff, students K -6 and parents/carers

Care Continuum	Strategy or Program	Details	Audience
Prevention	<a href="#">National Day of Action Against Bullying and Violence (NDA)</a>	Our school participates in the annual National Day of Action against Bullying and Violence (NDA) - in August each year.	Staff, students K - 6
Prevention	Child Protection	Teaching child protection education is a mandatory part of the syllabus.	Staff, students K - 6
Prevention / Early intervention / Targeted / Individual	Australian eSafety Commissioner <a href="#">Toolkit for Schools</a> to prevent and respond to cyberbullying	The toolkit supports our school to prepare, engage and educate the school community about creating and maintaining safe online environments to prevent cyberbullying incidents.	All students, individual students K - 6, families, staff
Targeted intervention	Attendance support	Teachers closely monitor student attendance and follow school processes to contact parents/carers to ensure student wellbeing and correctly document any communication regarding attendance. Assistance from a Home School Liaison Officer (HSLO) is requested when necessary.	Individual students, principal
Targeted / individual intervention	School learning and support	The Learning and Support Team works with teachers, students, and families to support students who require personalised learning and support.	Principal, individual students K - 6, families
Individual intervention	<a href="#">Individual Behaviour Support Planning</a>	Planning is done in collaboration with the student and their family with support from Team Around a School where needed. This can include individual behaviour support and risk management plans.	Individual students, staff
Individual intervention	Class - playground monitoring card	Monitoring cards are used for individual students (when required) to set agreed behaviour and social goals and monitor progress both in the classroom and on the playground. Negotiated playground programs/activities may also be implemented to assist students to stay on track to achieve their goals in a less routine orientated environment.	Individual students

## Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

### Identifying behaviour of concern, including bullying and cyberbullying

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. A behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. Bullying behaviour involves the intentional misuse of power in a relationship, is ongoing and repeated and involves behaviour that can cause harm.

Wisemans Ferry Public School staff will identify inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying through a range of channels, for example:

- directly observing a child or young person's behaviours, interactions, verbal communications, or work produced (such as written materials, performances or artworks)
- a person disclosing information that is not previously known, either because it is new information or because it has been kept a secret
- concerns raised by a parent, community member or agency.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through their year advisor or school counselling service.

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member.

### Preventing and responding to behaviours of concern

Wisemans Ferry Public School uses the following strategies to recognise and reinforce positive student behaviour and behavioural expectations:

The use of verbal and non-verbal specific positive feedback is the most powerful way to:

- help adults and learners to focus on positive social behaviour
- increase the likelihood that students will use the expected behaviours and skills in the future
- decrease unexpected behaviour and reduce the need for corrective responses
- enhance self-esteem and build an internal focus of control.

Specific positive feedback may not be sufficiently reinforcing for some students, so the school-wide continuum provides the opportunity to pair verbal or non-verbal feedback with a positive, tangible consequence.

The school-wide continuum for acknowledging expected behaviour includes:

- free and frequent – for everyday use by all staff in all settings
- moderate and intermittent – awarded occasionally
- significant and infrequent – semester or annual types of recognition.

Prevention Responses to recognise and reinforce positive, inclusive and safe behaviour	Early Intervention Responses to minor inappropriate behaviour.	Targeted/Individualised Responses to behaviours of concern.
1. Behaviour expectations are taught and referred to regularly. Staff model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules.	1. Refer to school-wide expectations and/or emotional regulation visuals and/or supports so that the student can self-regulate.	1. Seek help from principal or other staff member if there is a risk to safety. Otherwise notify principal ASAP.
2. Verbal and non-verbal specific positive feedback is paired with a positive, tangible reinforcer in a school-wide continuum for acknowledging expected behaviour.	2. Use indirect responses including proximity, signals, non-verbal cues, ignore, attend, praise, redirect with specific corrective feedback	2. Principal/CT to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity, providing reassurance or offering choices.  Incident review and planning is scheduled for a later time determined by the context and nature of the incident.
3. Tangible reinforcers include those that are: <ul style="list-style-type: none"> <li>• free and frequent</li> <li>• moderate and intermittent</li> <li>• significant and infrequent</li> </ul> Intermittent and infrequent reinforcers are recorded on the centralised recording system.	3. Use direct responses e.g. Rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom/playground behaviour expectation before a low-level consequence is applied.	3. Principal collects information and review the incident from multiple perspectives and determine next steps. Principal records the incident on the centralised recording system and contact parent/carer by email or phone. Principal may consider further action e.g. formal caution/suspension.
4. Social-emotional learning lessons (The Resilience Project) are taught weekly.	4. Teacher records on the centralised recording system by the end of the school day. Monitor and inform family if repeated.	4. Refer to the school's Learning and Support Team or APLaS considering current and previous behaviour data. Other actions may include developing a behaviour support/response plan and/or completing a risk assessment.
Teacher/parent contact	Teacher/parent contact	Teacher/parent contact
Teacher contact through the parent portal or phone calls home are used to communicate student effort to meet expectations.	Teacher contacts parents by phone or email when a range of corrective responses have not been successful.  In some cases, individual planning and referral to LST may be discussed.	Principal contacts parent/carer to discuss any support and behaviour responses, including referral to the LST, outside agencies or Team Around a School.

## Responses to serious behaviours of concern

Responses, including students who display serious behaviours of concern, are recorded in the centralised recording system. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- reflection and restorative practices (listed below)
- liaise with Team Around a School for additional support or advice
- communication and collaboration with parents/carers (phone, email, parent portal, meeting)
- formal caution to suspend, suspension or expulsion.

The NSW Department of Education [Student Behaviour policy](#) and [Suspension and Expulsion Procedures](#) apply to all NSW public schools.

## Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- [Incident Notification and Response procedure](#)
- [Student Behaviour policy](#) and [Suspension and Expulsion procedures](#)
- If a behaviour of concern is also a child protection matter use the [Mandatory Reporting Guideline Tool](#).

Students and/or parents/carers can report cyberbullying to the [eSafety Commissioner](#) and reporting links for most sites, games and apps can be found at the [eSafety Guide](#).

## Detention, reflection and restorative practices

Toilet and food breaks are always included when withdrawal from free choice play at either break is planned as a response to behaviour. The maximum length of time will be appropriate to the age/developmental level of the student.

Action	When and how long?	Who coordinates?	How are these recorded?
<b>Reflection conversation (problem-solving)</b> – What happened, what did you do, and what could you do instead next time.	Class time and break times as required	Teacher/principal	Documented in school record system

## Review dates

Last review date: 31 January 2025

Next review date: 27 January 2025
