*Please feel free to contact any of these representatives if you have any concerns you wish to discuss*

### MMWaC Academic Day

Our **MMWaC Academic Day** will be held on Wednesday 26<sup>th</sup> September from 9am. Students are now practising their spelling words to try out for the spelling bee as well as learning times tables for the Maths comp. We will let you know the students who will be representing us on the day.

We have had new signage placed on the side of the admin block making it really obvious about our school values.

The winter vegetables planted in our vege gardens are growing well. We have broccoli, cauliflower, carrots, beetroot and snow peas coming along nicely.

### NAPLAN online

This term from 20 August to 7 September, schools across NSW, who have not taken part in the initial administration of NAPLAN online, will again be participating in the NAPLAN Online School Readiness Test.

The school readiness test is a 'practice run' designed to help schools assess their technical and administrative readiness for the transition to NAPLAN Online.

Wisemans Ferry Public School students in Years 3 and 5 will be participating in the readiness test during week 5. The readiness test will involve students in Year 3, 5, 7 and 9 sitting two, 40-minute assessments, a writing test and a combined numeracy/literacy test. (Year 3 students will not participate in the writing test).

Student participation in the readiness test is an opportunity for them to become familiar with the NAPLAN Online test format.

It is important to note that participation in the school readiness test has no effect on students' NAPLAN results from the paper-based tests students sat in May.

There's a lot more information on the department's NAPLAN Online website: <https://education.nsw.gov.au/teaching-and-learning/student-assessment/naplan-online>

### School Parking

For the safety of your children, parking is not permitted in the school carpark between the hours of 8.30-9.15am and 2.15-3pm. Also, there is no car parking in the bus zone at the front of the school. The safety of your children is extremely important to us.

### General Reminders

Students are to arrive to school on time each day.

All clothing and hats should be clearly marked with names.

Student pencil cases should be checked so students have plenty of pens/pencils/glue stick/etc.

When parents and friends come to the school, they must go to the office first. This is a Legal and Workplace Safety requirement and followed for the safety and security of all students and teachers.

Parents are always welcome to make an appointment anytime to meet with the teacher about their child's progress, problems that may arise, ideas, etc. The education of your child is a team effort.

**Mrs Jo'elle Frampton**  
**Principal**

### SRC Fathers Day Stall

Once again the SRC are holding a Fathers' Day stall on Friday 31st August 2018. Please help out by sending in a small gift or two to place on the stall. They will be selling the gifts in a price range from \$2.00 to \$10.00. Thank you.

### 'Ferry' Award System

How the Ferry Award System works: So as to ensure this system means the rewards are prestigious and well earned, 'Ferries' will be allocated out on a 1 award per 5 children ratio. This means that children would generally receive 1-2 'Ferries' per semester. The extra 'Ferries' that teachers have to give out are for those children who are consistently working hard in the classroom and identified as outstanding school citizens who take the initiative to help others around the school.

Please keep awards safe as they need to be handed in to Mrs Mac in the school office to earn the next level. This reward system will carry over from one year to the next.

The reward system works as follows:

5 Ferries = **Bronze**

5 Ferries + Bronze = **Silver**

5 Ferries + Silver = **Gold**

5 Ferries + Gold = **Special badge/pin, an award** and a lunch with the principal and teachers for completing the highest level at the school.

**WISEMANS FERRY & DISTRICT SPORTS INC****ABN: 95 633 042 635****C/- Post Office WISEMANS FERRY NSW 2775****ABOUT US:**

Wisemans Ferry & District Sports Inc. is a non-profit organization, which started operating in 1995. We provide sporting opportunities to the children in our community aged 4 years and older. Our aim is to give the children exposure to a variety of sports & activities that they would possibly never get a chance to experience, teaching them how to participate as an individual and as a team member.

WF&DSI meet Wednesdays after school (3.00pm) during school terms only and is facilitated with several parent volunteers and community members. At times we have specialized coaches of various sporting activities run workshops and clinics, including Peppercorn Services Inc.

### What's On at Penrith Observatory in August

**Date:** Saturday 11 August 2018

**Event name:** Public Astronomy Night: When Galaxies Collide

**Event details:**

**Speaker – Professor Lisa Harvey-Smith Special event for the Sydney Science Festival & National Science Week**

Professor Lisa Harvey-Smith will be talking about our fascinating night sky and signing copies of her new book, When Galaxies Collide (Melbourne University Publishing, 2018).

When Galaxies Collide delivers a fascinating insight into astronomy and the future of our night sky. As a result, you'll never look up at the night sky in the same way. When Galaxies Collide peers 5.86 billion years into the future to consider the fate of Earth and its inhabitants. Will the solution be to live in space without a planet to call home? Will one of the other 100 billion planets spawn life? Learn how to watch this space.

"A fascinating and inspiring tour of the galaxies, illuminated by vivid and often humorous accounts of the day-to-day life of an astronomer." - Professor Brian Cox.

Astrophysicist, Professor Lisa Harvey-Smith won the Australian Museum's Eureka Prize for the promotion of Australian Science Research (2016) and the CSIRO Chairman's Medal (2015). She has spent the past 15 years conducting fundamental astrophysics research at universities and research institutes across the world. Lisa is the resident astrophysicist TV presenter on the wildly popular Stargazing Live on ABC with Professor Brian Cox. She has performed in sold-out events across Australia with science superstar Neil deGrasse Tyson and Apollo Moon walking astronauts Buzz Aldrin, Gene Cernan and Charlie Duke.

The evening will include a presentation with time for Q&A, a short 3D astronomy movie, a tour of the dome area and an opportunity to view the night sky through a variety of telescopes (weather permitting)

Dear Family & Friends

My Daughters and I will be collecting toiletries and house hold goods for our amazing **Aussie Farmers** and travelling to Tamworth late this year to do a drop off.

We would like to ask for your help in achieving this, if you would like to make a donation there will be a box at the school for your children to place the item in.

We also have a box in the Wisemans ferry grocers.

If you have any questions please don't hesitate to email me on -  
rachaelwettengel@outlook.com

Kind Regards

Rachael Wettengel
